PROFESSIONAL SUMMARY

Aspiring Data Analyst with hands-on experience in data cleaning, exploratory data analysis (EDA), and insight generation using Python. Experienced in working with real-world datasets to identify patterns, trends, and actionable insights. Passionate about transforming raw data into meaningful information to support data-driven decision-making.

EDUCATION

Bachelor of Technology (Artificial Intelligence) — Newton School of Technology, Rishihood University 2024 – 2026 | GPA: 6.75 / 10
Intermediate (Class XII) — St. Joseph's Academy 2022 – 2023 | 77%
Matriculation (Class X) — St. Joseph's Academy 2020 – 2021 | 82%

PROJECTS

Brazil Traffic Data Analysis 2026

- Cleaned and preprocessed real-world traffic accident dataset
- Handled missing values, inconsistent formats, and normalization
- Performed EDA to identify accident patterns and high-risk factors
- Analyzed correlation between time, location, and accident severity

FIFA Player Data Analysis 2026

- Cleaned and structured FIFA dataset for performance and valuation analysis
- Compared players across teams, leagues, and attributes
- Analyzed salary distribution and performance metrics
- Built visualizations to extract insights for team strategy

Electricity Consumption Analysis (Country-wise) 2026

- Analyzed global electricity consumption across multiple countries
- Performed preprocessing and normalization for comparison
- Identified trends in energy usage and growth patterns
- Visualized regional differences and consumption behavior

SKILLS

Languages: Python, SQL, JavaScript
Data Analysis: Pandas, NumPy, Data Cleaning, EDA
Visualization: Matplotlib, Tableau (basic), Excel
Concepts: Statistics (Descriptive, Probability Basics)
Tools: Git, GitHub

EXTRA-CURRICULAR ACTIVITIES

- Model United Nations (MUN):** Represented diverse international perspectives through diplomatic debate, policy drafting, and public speaking at multiple conferences.
- Event Management & Leadership:** Led coordination of major school events including Cultural Week and Sports Day, managing cross-functional teams and ensuring seamless execution.
